

STYRISOL[®]

Built to last, made for the future

Discover our high-performance XPS solutions for caravans & motorhomes

TECHNICAL XPS

abrisojiffy.com

WE CREATE. WE SUSTAIN. WE PROTECT.

WE CREATE WE SUSTAIN WE PROTECT

At Abriso Jiffy we specialize in the **extrusion of foamed polymers**. We extrude PP, PE, and PS. We produce packaging products and insulation products (acoustic and thermal).

We are a **European manufacturer**. We are a family-owned company that has over **50 years of experience** in extruding foamed plastics.

The product is fully recyclable. We continue to grow and search for new products. Respect for the environment is very important to us.

ABRISO  

WE CREATE. WE SUSTAIN. WE PROTECT.

TECHNICAL XPS FOR LEISURE VEHICLES

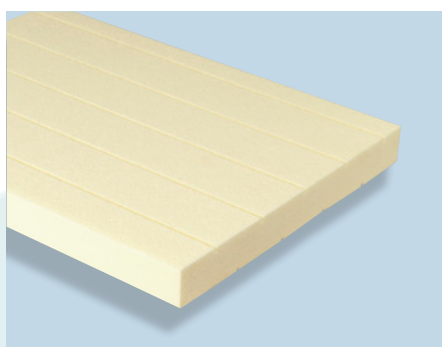

Styrisol® in **leisure vehicles** is invaluable for maintaining the right temperature. XPS stands out in terms of thermal insulation and **lightweight**.

Caravans and motorhomes manufacturers integrate our XPS Styrisol® panels into their vehicles for optimal **temperature control** during leisure activities of their customers.

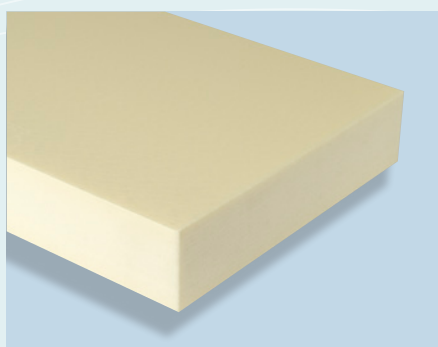

In the production campers and motor homes, Styrisol® contributes to energy efficiency, reduced consumption and water **moisture resistance**.

DURABLE, VERSATILE AND CUSTOMIZABLE INSULATION

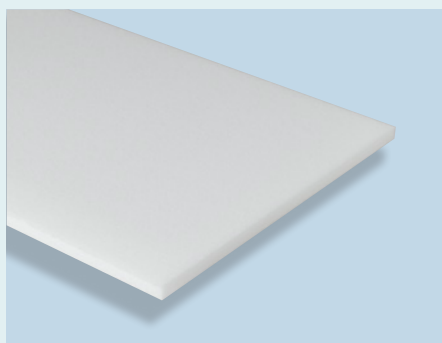

SURFACE

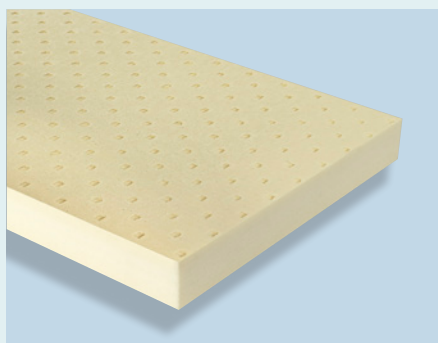

Fine groove
